MIAMI INTERNATIONAL AIRPORT

*M*iami International Airport (MIA) is providing a Cell Phone Lot for Airport users to wait when picking up friends, family members or business associates. The Airport is providing 60 spaces for private, not-for-hire vehicles to use. The amenity is yet another customer convenience feature offered by MIA, and its use is free of charge. The Cell Phone Lot is conveniently located and is available during daylight hours.

The Lot is located just off of LeJeune Road and N.W. 31st Street, accessible from LeJeune Road heading north or south. Please see map on reverse side.
