**MIA News**

Miami International Airport was voted "Best Airport – North America" at The Asian Freight, Logistics & Supply Chain Awards 2018.

**Passenger and Cargo Facilities**

**Terminal:** Extending from MIA's Central terminal, the South and North Terminals have added over 4 million square feet to MIA's existing 3.5 million square feet of space.

1. **The South Terminal:** adds 1.7 million square feet to MIA.
2. **The North Terminal:** encompasses more than 3.8 million square feet.
3. **The Central Terminal:** 2 million square feet across three concourses (excludes hotel space).

The North, Central and South Terminals have a total of 130 gates, with 101 international capable gates and 23 domestic gates, and a total of 617 ticket counters.

**Cargo:** MIA's cargo facilities encompass eighteen (18) cargo buildings with over 3.4 million square feet of warehouse, office and support space. Apron space is presently 4.4 million square feet, with 44 common-use cargo positions and 27 leased cargo positions.

**MIA Cargo Clearance Center:** Centralizes the functions of CBP providing for trade documentation processing.

**MIA Animal & Plant Health Inspection Service (APHIS)**

**Facility:** Houses the Veterinary Services' import and export operations.

**MIA Access & Intermodal Transport**

**Central Boulevard:** Improvement program completed which included: widening of Central Boulevard, new service roads, wider bridges and improved access to parking facilities.

**25<sup>th</sup> Street Viaduct:** Construction of the east phase project was completed in July 2011. The west phase project was completed in July 2016, and provides a direct connection between MIA's cargo facilities and NW 82<sup>nd</sup> Avenue.

**MIA Mover:** The elevated train that connects MIA and the new Rental Car Center and the Miami Intermodal Center opened September 9, 2011. The Mover runs through Central Boulevard with the capacity to transport more than 3,000 passengers per hour.

**Rental Car Center (RCC):** The 3.4 million square foot facility opened on July 13, 2010. The RCC consolidates under one roof the operations of 16 rental car companies, with a combined inventory of 6,500 rental cars.

**Miami Intermodal Center (MIC):** Next to the RCC will be the MIC, a massive ground transportation hub being developed by the State of Florida Department of Transportation linking rail, light rail, automobile and bus traffic under one roof.

**Keeping MIA Competitive**

**CORE:**

The Cargo Optimization, Redevelopment and Expansion (CORE) program is in full implementation at MIA. It is a comprehensive, long-term concept to maximize existing cargo operations and double capacity by demolishing and replacing aged structures as well as developing new cargo facilities in the future.

**Pharma:**

MIA is the first IATA Designated Pharma Hub Airport in the U.S. and the second in the world, after only Brussels Airport. The designation underscores MIA's leading role as a both safe and efficient global logistics hub for high-value, temperature-sensitive drugs and medicines.

**FTZ:**

In an effort to expand and diversify its international business base, the Miami-Dade Aviation Department (MDAD) gained final approval from the U.S. Department of Commerce to designate MIA as a Foreign Trade Zone (FTZ) magnet site. This will assist MIA to attract new types of business, increase trade, enhance air service development and diversify the airport's revenue stream.

**Ocean-to-Air Perishables Trans-shipment Program:**

A first for any Florida airport, MIA can now receive perishable freight cargo by sea. The Ocean-to-Air Perishables Trans-shipment Program saves time and money for cargo shippers by providing expedited air transport of perishable products arriving by sea to international markets via MIA.

**Cargo Flight Tracker:**

*Miami International Airport's recently upgraded mobile app MIA Airport Official was named "Best Immigration Initiative" at the 2017 Future Travel Experience (FTE) Global Awards ceremony. MIA was recognized for being the first airport in the world authorized by U.S. Customs and Border Protection (CBP) to integrate Mobile Passport Control into its mobile application, making MIA Airport Official a digital one-stop shop for MIA travelers. Previously, the only option travelers had was to download the separate Mobile Passport Control app if they wanted to clear passport control via mobile device.*
