

The Miami-Dade Aviation Department's Aviation Planning, Land-Use & Grants Division is located in Building 3030 at 4331 NW 22nd Street, "C" Wing, Second Floor. Please note, this building is located on the North side of Central Boulevard and is East of the Miami International Airport "Terminal". If you have reached the Terminal, you have gone too far West and passed Building 3030.

Directions from the North: **(Blue Arrows)** Exit 1-95 to SR 112 to Miami International Airport. Keep right and exit onto "Commercial Vehicles" exit lane. Continue straight on North Access Road and turn right into the parking lot.

Directions from the North (Le Jeune Road): **(Blue Arrows)** Heading South on Le Jeune Road (NW 42nd Avenue), keep right and exit onto "Commercial Vehicles" exit lane. Continue straight on the North Access Road and turn right into the parking lot.

Directions from the South (Le Jeune Road): **(Magenta Arrows)** From Le Jeune Road (NW 42nd Avenue) continue North exit to Miami International Airport which merges onto Central Boulevard westbound. Keep left on Central Boulevard and exit the ramp on the left, follow the signage to Building 3030, make a right onto the West Service Road and continue to NW 22nd Street, make another right and continue to the parking lot.

Directions from the South SR 836 (Dolphin Expressway): **(Magenta Arrows)** Take SR 836 (Dolphin Expressway) exit to Miami International Airport and take the exit to "Le Jeune North". Once on Le Jeune Road continue North to ramp to Miami International Airport which merges onto Central Boulevard. Keep left on Central Boulevard and exit the ramp on the left, follow the signage to Building 3030, make a right onto the West Service Road and continue to NW 22nd Street, make another right and continue to the parking lot.
