Art Basel Miami 2011: The festival's most intriguing art

Art Basel's American festival, held annually in Miami, celebrates its 10th year of bringing blue chip artists and collectors together by the beach.

Christopher Janney poses for photos with his newest creation, the "Harmonic Convergence," at Miami International airport in Miami. Janney terms Harmonic Convergence "an abstraction of South Florida in color and sound." The installation plays the sounds of tropical birds and thunderstorms as visitors pass by.
