# Dream Imagery: Sweet Dreams Are Made of These!

Miami-Dade County Public School students (Grades K-12) were free to fantasize and to invent fantastic images, exploring the use of dreams and imagination as the springboard for their artistic, otherworldly creations. This digital exhibition, features artwork that adheres to the conventions of dreamlike qualities of Surrealism and Symbolism; and illustrates how, through the use of bizarre imagery and unexpected juxtapositions, even the most ordinary can be transformed into something creative, mysterious, and exciting.
