

ADDENDUM NO. 1

DATE: April 1, 2022

TO: ALL PROSPECTIVE BIDDERS

SUBJECT: BID No. MDAD-CIP-V043A-4

TITLE: Miami International Airport (MIA) Central Terminal Ticket Counters, Conveyors, and K-1 doors for TC 12 through TC 17

This Addendum becomes a part of the subject solicitation.

A. The following is a change to the Bid document.

- a. All references to the bid submittal due date shall now mean Tuesday, May 10, 2022 at 2:00 pm EST.
- b. The following has been deleted in its entirety. Standard Construction General Contract Conditions, 6. Subcontractors, Item D
 - ~~D. Contractor Participation: The Contractor shall perform not less than 10 percent of the Work, not inclusive of materials purchased, with his own organization. If the Contractor is a joint venture, the requirement shall be satisfied by anyone, or a combination of any of the joint venture partners. Where a percentage of a Bid Item is subcontracted, the dollar value of that percentage subcontracted will be based on the estimated cost of such Bid Item, determined from information submitted by the Contractor, subject to approval by the Owner. The materials produced by other than the Contractor's forces shall be considered as being subcontracted. If, during the progress of the Work, the Contractor requests a reduction in such participation percentage, and the Owner determines that, due to the special nature of the conditions of the Work at the time, it would be to the Owner's advantage, the percentage of the Work required to be performed by the Contractor may be reduced, provided written approval of such reduction is obtained by the Contractor from the Owner. The Contractor shall not proceed with any such reductions until his request is approved in writing by the Owner or his authorized designee. Under no circumstances shall less than 10 percent of the Work be performed with the Contractor's own forces.~~
- c. The pre-bid conference and site visits sign in sheets (Addendum No. 1 Attachment) have been added as an attachment to the subject addendum.
