Privacy Act Notice

Authority: 6 U.S.C. § 1140, 46 U.S.C. § 70105; 49 U.S.C. §§ 106, 114, 5103a, 40103(b)(3), 40113, 44903, 44935-44936, 44939, and 46105; the Implementing Recommendations of the 9/11 Commission Act of 2007, § 1520 (121 Stat. 444, Public Law 110-53, August 3, 2007); FAA Reauthorization Act of 2018, §1934(c) (132 Stat. 3186, Public Law 115-254, Oct 5, 2018), and Executive Order 9397 (November 22, 1943), as amended.

Purpose: The Department of Homeland Security (DHS) will use the information to conduct a security threat assessment. If applicable, your fingerprints and associated information will be provided to the Federal Bureau of Investigation (FBI) for the purpose of comparing your fingerprints to other fingerprints in the FBI’s Next Generation Identification (NGI) system or its successor systems including civil, criminal, and latent fingerprint repositories. The FBI may retain your fingerprints and associated information in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI. DHS will also transmit your fingerprints for enrollment into US-VISIT Automated Biometrics Identification System (IDENT). DHS will also maintain a national, Centralized Revocation Database (CRD) of individuals who have had airport- or aircraft operator-issued identification media revoked for noncompliance with aviation security requirements. Identification media revoked for non-compliance with aviation security requirements will promptly result in the individual being listed in the CRD for five years from the date the violation occurred. DHS has established a process to allow an individual whose name is mistakenly entered into the database to correct the record and have the individual’s name expunged from the database. If an individual who is listed in the centralized database wishes to pursue expungement due to mistaken identity, the individual must send an email to TSA at Aviation.workers@tsa.dhs.gov.

Routine Uses: In addition to those disclosures generally permitted under 5 U.S.C. § 552a(b) of the Privacy Act, all or a portion of the records or information contained in this system may be disclosed outside DHS as a routine use pursuant to 5 U.S.C. § 552a(b)(3) including with third parties during the course of a security threat assessment, employment investigation, or adjudication of a waiver or appeal request to the extent necessary to obtain information pertinent to the assessment, investigation, or adjudication of your application or in accordance with the routine uses identified in the TSA system of records notice (SORN) DHS/TSA 002, Transportation Security Threat Assessment System. For as long as your fingerprints and associated information are retained in NGI, your information may be disclosed pursuant to your consent or without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI’s Blanket Routine Uses.

Disclosure: Pursuant to § 1934(c) of the FAA Reauthorization Act of 2018, TSA is required to collect your SSN on applications for Secure Identification Display Area (SIDA) credentials. For SIDA applications, failure to provide this information will result in denial of a credential. For other aviation credentials, although furnishing your SSN is voluntary, if you do not provide the information requested, DHS may be unable to complete your security threat assessment.

Section III – Applicant’s Certification

I hereby submit this application to the MDAD Credentialing Section for an ID Badge and agree to the following:

1. To comply at all times with the security rules and policies of MDAD, including the provisions of Chapter 25 and the Transportation Security Administration (TSA), an agency of the United States, including the provisions of Title 49, CFR, Parts 1540,1542, and 1544.
2. My ID Badge cannot be transferred to another individual or used for any purpose by another individual; I will visibly display my ID Badge outside my garments on my upper body whenever I am in any area of the airport. **Proper Badge Display:** The badge must be continuously displayed in accordance with the Airport Security Program, on your outer most garments from the waist up.
3. I will not use my ID badge nor attempt to gain access to restricted areas of the airport outside of my official employer assigned work hours and duties; I will not aid nor participate in “piggy-backing” (allowing unauthorized access to secure or restricted areas) nor will I otherwise breach, disobey or disregard any security directive, plan or program at the airport; I will challenge any person who enters a secured/restricted area if the person does not properly display an ID Badge. If the person I challenge cannot produce a valid ID Badge, I will immediately notify the Miami-Dade Police Department or MDAD at (305) 876-0385.
4. I will immediately notify my Supervisor or MDAD of any unattended bag and/or suspicious activity.
5. **The ID Badge is the property of MDAD. MDAD reserves the right to revoke authorization for an ID Badge where such action is determined to be in the best interest of airport security. ID Badge must be returned immediately to MDAD Credentialing Section or the employer at the end of employment or upon notification that authorization has been revoked. Failure to comply within 24 hours is in direct violation of the Airport Security Program (ASP) and you can be subject to a potential \$10,000 Civil Penalty Fine assessed by the Transportation Security Administration (TSA) under title 49 of the Code of Federal Regulations (CFR) Part 1540.105; 49 USC 46301. The Credentialing Section will issue a receipt as proof of ID Badge return.**
6. I will immediately notify my employer if my ID Badge is lost or stolen. A non-refundable fee of \$75.00 will be assessed for the first replacement and \$100.00 for the second replacement within 24 months of original issuance. There will not be a replacement issued for a third time within 24 months of original issuance. The Security Credentialing Section will collect the fee before a replacement ID Badge is issued. Furthermore, a replacement ID Badge may only be issued if I declare in writing that the ID Badge has been lost, stolen, or destroyed.
7. In the event of any change in my employee status (i.e. transfer, job title), I will obtain a new ID Badge noting the change and return the original ID Badge.
8. I will immediately notify MDAD and/or my Supervisor if I am arrested of any of the crimes listed under Title 49, CFR, Parts 1542.209, or 1544.229.
9. Contractor Identification Badges are valid only within the construction site to which I am assigned by my employer, within those areas authorized by MDAD and only until the contract is closed out, suspended, or terminated.
10. Use of my ID Badge constitutes consent to search and monitoring at any area of the airport. **Screening Notice:** Any employee holding a credential granting access to a Security Identification Display Area (SIDA) may be screened at any time while gaining access to, working in, or leaving a Security Identification Display Area.
11. I will not post pictures of an airport-issued ID Badge on social media platforms that could enable an adversary to create fraudulent ID media and gain unauthorized access to Secured Areas, Sterile Areas, and Air Operations Areas (AOA) of TSA-regulated airports.

I understand and agree to comply with the terms and conditions provided for in this application and agree to comply with any changes or amendments to the terms and conditions that may be imposed by MDAD.
