

DISADVANTAGED BUSINESS ENTERPRISE (DBE) PROGRAM

Objectives/Policy Statement Section 26.1, 26.23

The Miami-Dade Aviation Department (MDAD) has established a Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. MDAD is a department of Miami-Dade County and has received Federal financial assistance from the Department of Transportation, and as a condition of receiving this assistance, the MDAD has signed an assurance that it will comply with 49 CFR Part 26.

It is the policy of MDAD to ensure that DBEs as defined in part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is also our policy:

1. To ensure nondiscrimination in the award and administration of DOT-assisted contracts;
2. To create a level playing field on which DBEs can compete fairly for DOT-assisted contracts;
3. To ensure that the DBE Program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBEs;
5. To help remove barriers to the participation of DBEs in DOT-assisted contracts;
6. To assist in the development of firms that can compete successfully in the marketplace outside the DBE Program.

Andre Ragin, Aviation Small Business Strategic Advisor, has been delegated as the DBE Liaison Officer. In that capacity, Mr. Ragin is responsible for implementing all aspects of the DBE program. Implementation of the DBE program is accorded the same priority as compliance with all other legal obligations incurred by MDAD in its financial assistance agreements with the Department of Transportation.

MDAD has disseminated this policy statement to the Miami-Dade County Board of County Commissioners and all the components of our organization. We have distributed this statement to DBE and non-DBE business communities that perform work for us on DOT-assisted contracts through outreach meetings, workshops and our website.

Ralph Cutié, Director and CEO
Miami-Dade Aviation Department
